REQUEST FOR CLARIFICATION OF ENTRIES IN PAIR

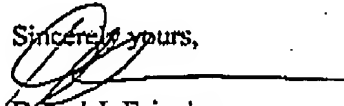

An Official Action was mailed in this case on May 31, 2007. On August 29, 2007 a response was filed. This response appears in the image file wrapper (IFW) in both public and private PAIR (see the attached print-out labeled "A"). However, neither the transaction history nor the application data tabs in PAIR show any record of the response having been filed: the application data tab shows the mailing of the OA as the last event (see attached print-out "B"), and while the transaction history records the recent filing of a power attorney in this case, it does not record the filing of a response in August 2007 (see attached print-out "C"). Although the undersigned has tried several times to reach both Examiner Balasubramanian as well as SPE James Wilson by telephone in order to remedy this discrepancy, thus far he has been unable to reach either party, hence this fax.

USSN 10/712,456

Docket 1073.134A

Please correct the error in PAIR, so that both the application data and transaction history tabs reflect the filing of a response in August 2007, and kindly confirm that the application is on the Examiner's docket. Thank you.

Sincerely yours,

Daniel J. Feigelson
Applicants' representative
